**CITY OF MARYSVILLE TO HOST
TOWN HALL MEETING
REGARDING RENEWAL OF MEASURE C**

Marysville, CA — The City of Marysville will be hosting a Town Hall meeting regarding the potential renewal of its Measure C.

On Thursday, June 13th, at 6 pm at City Hall, the community is invited to learn more about Measure C and to share their thoughts and opinions about the future direction of Marysville.

In 2016, Marysville voters approved Measure C, a measure that raised the local sales tax by one cent.

Since its passage, the City of Marysville has invested the revenue generated by Measure C back into the community – hiring more police officers and increasing neighborhood patrols; ensuring our fire department is properly prepared and staffed for emergencies; and beginning to repair our local streets and sidewalks.

Measure C is set to expire in 2026.

To continue funding for essential city services, the City of Marysville is considering a measure on the November 2024 ballot to renew this source of funding at the current rate -

without raising taxes. It would simply extend the one cent funding previously approved by voters.
