\*\*\*\*Attention East Marysville Commuters\*\*\*\* Traffic Advisory\*\*\*\*

The City of Marysville will be completing traffic safety construction in the school zone located at Ramirez Street at E.18<sup>th</sup> Street.

This construction will take place on **October 27, 2022.**

The construction to be completed is Ramirez Street at E.18<sup>th</sup> Street will become a four-way stop sign-controlled intersection. The current flashing pedestrian crossing signals will still remain in place.

This construction is being completed to enhance pedestrian safety within the school zone.

This is a traffic safety advisory so the commuting public will have advanced warning notice of the newly controlled intersection.

We encourage you to drive safe, especially within the school zone.
