The Marysville City Council is pleased to announce the hiring of Interim City Manager Eugene Palazzo. Palazzo has 31 years' experience in local government with the last eight years as a City Manager before retiring in April, 2019. He holds a Master's Degree in Public Administration and a Bachelor of Arts Degree in Geography with a minor in Business Administration. His focus has been in City Administration, Redevelopment, Economic Development and Planning. His career began in Nevada County and he has worked in several agencies in California including Folsom, Riverbank, Yuba City, South Lake Tahoe, Crescent City and Galt.

Mayor Samayoa stated: "The council is pleased to announce Mr. Palazzo as our Interim City Manager. He brings a wealth of knowledge and experience. His focus will include maintaining the day-today activities, supporting department heads, updating the public and Council regularly and leading the process of hiring a permanent City Manager."

Palazzo stated: "I am excited to assist the City Council over the next few months during the recruitment of a permanent City Manager. I have a passion to assist local government and a particular fondness for the City since my family moved here in 1981."
